THE ZORBA LOUNGE IS A FIRST CLASS SMOKING LOUNGE.

It is the perfect atmosphere for any cigar or pipe connoisseur. It is the ideal place to conduct business, watch sporting events, relax, or enjoy time with friends. It consists of four rooms plus an outdoor porch area. Plus, it offers a cold beverage center and a state-of the art coffee and hot drink station.

THE ZORBA LOUNGE WAS NAMED AFTER THE FOUNDING FATHER OF THE HUMIDOUR CIGAR SHOPPE, JAMES CONSTANTINE PECUNES, AKA DADDY JIM.

Daddy Jim was a true example of the meaning of Zorba, “live each day”. Daddy Jim played a pivotal role in shaping the shoppe into what it is today, valuing: family, friendships, exceptional customer service, professionalism and more. Daddy Jim’s absence is truly felt at the shoppe, but the family is committed to continuing his legacy to ensure that both the lounge and the shoppe remain at the forefront of the premium cigar industry.
